I am attaching for your reference for our call a letter that EPA sent to Kenneth Harris, Jr., State Oil and Gas Commissioner, at the Division of Oil, Gas and Geothermal Resources (DOGGR).

Participating from our office will be our Water Division's Mike Montgomery, Assistant Director and David Albright, Chief of our Drinking Water Protection Section.

I have set up a conference line for us to use for this discussion and am providing both the call-in number and access code to join the call.
